31st July 2009

### **Marine fish & Invertebrates consignment received today!**

Aqua Hobbies has just received a consignment of Marine fish & Invertebrates. Below is the consignment list inclusive of prices. May we take this opportunity to inform our esteemed customers that all our Marine fish & Invertebrates are MAC certified.

MAC Certification is awarded to fisheries, industry operators, and retailers. To achieve certification, organisms must be selected, caught or produced, handled, held, transported, and sold according to internationally-accepted standards that require proper treatment of coral reef ecosystems, care for fish populations, and accurate traceability records.

Support and help develop strategies to improve sustainability, and adopt best practices to ensure the proper collection and care of marine ornamentals, from reef to retail. Purchase from MAC certified retailers and focus resources so as to ensure healthy reefs, healthy fish, and a healthy hobby.

For further information, please do not hesitate to contact us on 21667167 or by email on [info@aquahobbies.net](mailto:info@aquahobbies.net)

Thank you for your kind attention.

Robert Vella
