27<sup>th</sup> July 2009

**Order your Marine fish & Invertebrates today!**

Aqua Hobbies is giving its customers the possibility of making a direct order from the enclosed list of Marine & Invertebrates stock list which is bound to arrive on the 30<sup>th</sup> July. No minimum order quantities are required. Hence, you can order just one fish or invertebrate that you've been waiting for! (Or possibly more).

All we need is the common name or scientific name which can be obtained from the below list, quantities required and contact details such as name and telephone number.

Orders will be accepted till Wednesday 29<sup>th</sup> July, 6.00pm.

For further information, please do not hesitate to contact us on 21667167 or by email on [info@aquahobbies.net](mailto:info@aquahobbies.net)

Thank you for your kind attention.
