The prices and information on this website / article are to the best of our knowledge correct, however, no responsibility or liability is accepted for any choice made from the information given. Fish strains, sizes & prices may vary from one consignment to another. The fish strains and sizes could possibly vary depending on supplier livestock availability at the time of the consignment being dispatched. Whilst every effort is made to provide accurate information with regards to consignment arrivals, such arrival dates may vary due to factors (such as freight, customs & other) which are beyond our control. In such cases, every effort will be made to inform our customers of any changes that could take place. Consignment quantities ordered could possibly vary from actual consignment delivered due to supplier stock shortage or loss of livestock in transit. Prices may vary upon consignment arrival due to factors beyond our control such as, but not limited to new taxes, levies or other unforeseen expenses.
